EH or EV-2156—Single Phase \$12.75—3 Phase \$12.75—DC \$8.50.

TERMS AND DISCOUNTS

(Apply to Gasoline Pumps Only)

- Bennett gasoline pumps may be sold on any of the following plans:
a. 30 days net; no cash discount.
b. 3 months terms may be granted, in which case the purchaser shall pay 25% of the purchase price at the time of placing the order, and the remainder shall be payable in three equal monthly installments beginning 40 days from date of order.
c. 12 months terms may be granted, in which case the purchaser shall pay not less than 10% cash with the order; balance plus 5% finance charge to be divided into twelve substantially equal monthly installments, the first payment falling due not later than 40 days after date of order.
d. 24 months terms may be granted, in which case the purchaser shall pay not less than 10% cash with the order; balance plus 10% finance charge to be divided into twenty-four substantially equal monthly installments, the first payment falling due not later than 40 days after date of order.
e. 30 months terms may be granted, in which case the purchaser shall pay not less than 10% cash with the order; balance plus 12 1/2% finance charge to be divided into thirty substantially equal monthly installments, the first payment falling due not later than 40 days after date of order.

DISCOUNTS

9. A discount of 5% from the list price may be granted to any buyer of ten or more licensed computing pumps who contracts for such units on a single non-cancelable order. As the pumps thus contracted for are shipped, the seller may grant to the purchaser terms as described in Paragraphs a, 8-b, or 8-c. If all the ten pumps are not shipped within thirty days from date of order, the seller at that time, shall invoice the buyer on one of the above mentioned plans.

10. If a purchaser orders a carload of licensed computing pumps (not less than 50 units) and the shipment is made to one destination at one time, said purchaser shall be entitled to an additional discount of 2%, i. e., 5% and 2%.

11. When a purchaser has purchased 50 licensed computer pumps from us (either by one purchase or a series of purchases), the purchaser thereupon shall be qualified to receive the quantity buyer's discount from that date on to the end of that calendar year. A purchaser shall not be deemed to have purchased 50 pumps until he has either accepted delivery of the pumps or has contracted to pay for them on one of the plans as mentioned in Paragraph 9.

12. Purchasers who buy licensed computer pumps at the quantity buyer's discount may be granted terms under plans 8-a, 8-b, and 8-c, but not under plans 8-d and 8-e.

EQUIPMENT GUARANTEE

The manufacturer guarantees all of the above equipment for one year, and no more, from date of invoice thereof, against defective material or workmanship (but not against damage caused by accident, abuse or faulty installation) when the equipment is installed in accordance with the manufacturer's specifications, and will repair or replace free of charge all such defective parts if returned to the factory.
